"I am satisfied" says a prominent physician, that coffee is responsible in a great degree for the premature breakdown of our active men and women.

"They suffer from caffeine poisoning.

"Of the truth of this, there is not the shadow of a doubt. Our common sense tells us that the daily swallowing of caffeine" (the alkaloid in tea and coffee). "powerfully affecting heart and brain-is followed by nervous depression, and finally by more or less disastrous results.

"I believe if people in general would use a harmless, nutritous drink like Postum as a beverage in place of tea and coffee, their physical and mental condition would be much improved."

Thousands, troubled with nervousness, biliousness, sleeplessness, headache and heart flutter, have done precisely what this physician advises-given up tea and coffee and adopted-

POSTUM

"There's a Reason"

Postum is a pure food-drink, made from wheat and a bit of molasses, containing the nutrition of the grain. No caffeine-no drugs-no harmful ingredient in Postum. A delicious, nourishing beverage.

Postum comes in two forms:

Regular Postum, must be boiled, 15c and 25c pkgs. Instant Postum, a soluble form, made in the cup instantly, 30c and 50c tins.

Grocers everywhere sell both kinds and the cost

per cup is about the same.
